

June 25, 2009

Dear Families,

The Fourth Grade team is looking forward to working with you and your child next year. We thought it would be helpful for you to have a list of needed supplies for September. This will give you an opportunity to purchase these items throughout the summer. Your child will need to have the following items for the beginning of school. **Please do not purchase an assignment planner. The required assignment book/planner will be provided by the school.**

- (1) composition book (these are also known as cow books, not spiral notebooks)
- (1) highlighter marker
- (1) package wide-ruled loose leaf paper
- (1) glue stick
- #2 pencils and pencil top erasers
- (1) box gallon-size Ziploc bags

Please don't send in hand-held pencil sharpeners or pencil boxes. We will need to send them back home due to lack of necessity and space.

To help your child maintain his/her math, reading, and writing skills over the summer, please practice the math facts with your child and encourage reading and writing. Students are expected to know their math facts coming into fourth grade, as knowing these facts greatly improves their progress in math throughout the year. Students will be expected to complete all written assignments in cursive.

Thank you for your cooperation and have a safe and enjoyable summer!

Sincerely,

Mrs. Garman
Mr. Parrotte
Mrs. Waite
Mrs. Seller
