### **MORRISONVILLE FAMILIES PLEASE MARK YOUR CALENDARS!**

As most of you know, Morrisonville School's principal Mr. Ott is retiring after 38 years in the educational profession, including 21 successful years as principal at Morrisonville. Mr. Ott has many memories of the students, staff and community but a highlight is his love for the school performances that the students have prepared throughout the years. So what better way for our school and community to show our appreciation for all that Mr. Ott has done for us than to put on a show! In Morrisonville's electrifying style, we are hosting a musical tribute presented by the students to highlight the evolution of our school under Mr. Ott's leadership.

### **"This is Our School" is scheduled for 9:00 am on June 9, 2010 in the gym.**

This is a way of saying thank you for all of the years of service and loyalty Mr. Ott has dedicated to Morrisonville school and community. During Mr. Ott's tenure we have celebrated many triumphs and a few tragedies. Out of these events the school and community have always been together. We have seen many a community contributor month, Project Flood Relief, Chelsea's Rainbow, and Dimes for Drum just to name a few! Besides that we have seen the creation of the Morrisonville Logo, designed by students themselves, the birth of Morrie, the Morrisonville Eagle, WBRV, Morrisonville's own student television station, and most recently, NYS S3TAIR committee's recognition of Morrisonville as a model school of excellence! We have witnessed students growing and moving onto great things because of their start here at Morrisonville. We are proud to know that the leadership that Mr. Ott has provided for over two decades has had such a tremendous impact! We are taking this time to wish Mr. Ott well and the very best for his future adventures! He leaves us with a strong foundation and continually striving for excellence!
