Saranac High School

PO Box 8, Saranac, New York, 12981 · Fax (518) 565-5809

To: Student Drivers

From: Mr. Parks

Please read the second page of this application form carefully before you return the signed form to the main office. If you apply for the privilege of parking on campus, then you (and your parents) agree to the conditions that are contained on these pages.

Thank You.

Parent signature _____ Date _____

Information for underclassmen only: Current Employer _____ Phone # _____

STUDENT PARKING REGULATIONS

Students who drive or ride to school must report between the hours of 8:05 and 8:12am.

Whenever a student-driver arrives late (after 8:12 a.m.) they are to report directly and immediately to the main office to speak with the assistant principal.

Student-drivers who arrive late and fail to report to the assistant principal may receive an additional five days parking suspension.

Student-drivers who fail to serve suspensions or detentions may receive an additional five days parking suspension.

The following are possible consequences for Student-drivers who arrive late to school:

Late once	verbal warning
Late twice	20 minute lunch detention
Late three times	one week suspension
Late four times	two weeks suspension
Late five times	four weeks suspension
Late six times	parking privilege is revoked

Parking *may be available* to underclassmen who have a compelling reason to park on school grounds, as determined by the principal or his designee. These privileges are given on a first-come-first-serve basis *if space is available*. Underclassmen are not allowed to bring riders unless they are siblings.

Students will register their cars with the main office. This registration will require parental permission as well as the make, model, color, registration and plate number of the vehicle.

Students will park their cars in the designated student parking spaces.

Cars should be locked upon arrival to school.

Cars will remain parked during school hours and until all buses are in and parked for dismissal.

Students are not to go to their cars during the day, including lunch periods, without the permission of the principal or the assistant principal.

Riding snowmobiles, ATV's or any other unlicensed motor vehicles is prohibited on school grounds at any time.

Senior student drivers will turn in a list of students who will be riding with them. The driver is responsible for making sure that permission forms are turned in to the main office for each rider before driving them to or from school.

Student drivers shall not speed, drive recklessly, park illegally, squeal tires, or otherwise endanger others with their vehicle.

The building principals have authorization to conduct an inspection of student cars parked in the school parking lot during the regular school day where there is reasonable suspicion that the car contains items that would hinder the health and safety of the student body.

- 1) This search will be done only after informing the driver, with said driver present.
- 2) Failure on the part of the driver to allow this inspection will result in the loss of parking privileges.

Students may not park, on school grounds, a vehicle which displays any expression (phrase, word, or words) or insignia (picture, symbol, or flag) which is lewd, obscene indecent or that promotes or advocates racial or religious prejudice, violence or interferes with the learning process.
