

Come Learn About Builders Club

Saranac Middle School's new service club, Builders Club, offers the exciting opportunity for all Saranac Middle School students to reach beyond themselves to help others.

I. When your child joins Builders Club, you and your child are pledging to participate in at least 20 hours of community service during the school year. The 20 hour commitment can be met by involvement in:

1. Saranac Middle School's Builders Club activities,
2. service activities sponsored by groups that your family is currently involved with such as scouting, church, etc., and
3. projects that your family chooses to undertake in your neighborhood or in the larger community on your own such as shoveling snow for a neighbor, picking up litter on your road, taking part in sponsored walks to benefit charitable causes, etc.

*** Please return the attached Builders Club Contract signed by both the student and parent/guardian by October 28th. A signed contract is required for students to vote in the election of officers.
