## Plan for use of Federal Funds allocated to Saranac CSD

### Learning Loss

- Adjust summer programming to meet student needs and offering busing for students.
- Increase efforts in the assessment and monitoring of students.
  - o Increase staff in RTI and AIS areas
  - o The use of different programs like i-Ready, Grad Point, Panorama, and others.
- Offer supports like homework and tutoring labs.
- Curriculum work to adjust to student's needs.
- Addition of specific staff to track students who are struggling academically.
- Reinstatement of positions across the district to assist our efforts with students in getting them back to in-person learning.

### Students Engagement

- Strengthen already established PBIS programming.
- Offering of different clubs to engage students.
- Specific programming targeting student engagement.

### Social Emotional Needs

- Contracting with community agencies to increase supports.
- Targeted PBIS interventions
- School Resource Officer to be part of the team once again.
- Strengthening of certain programming like TCI and PBIS.
