10s Go Fish - This game is played just like "Go Fish." Instead of asking for a card to match your card, you have to ask for a card that would add with one of your cards to make a sum of 10. I introduced the game with out class 4th Grade buddies, but it was still really difficult. So I made up this little cheat sheet to show that combos that make 10. I laminated them to use again and again. The kids loved it so much they all wanted a cheat sheet to play it at home. Very quickly, the kids stopped using the cheat sheet.

See Cheat Sheet Below
